

2022 ANNUAL REPORT

“Medina ... Ohio’s premier small-town destination!”

MAIN STREET
MEDINA

A Letter from Our Executive Director

Main Street Medina had proudly reached a milestone in 2022, having served the Medina community for 15 years. In that time, the organization has grown into a solid program with many resources to help our city.

2022 was also a year of transition. Our Executive Director for nearly the entire 15 years, Matt Wiederhold, has moved on and is now the Executive Director of Heritage Ohio, our parent organization. I know I speak for everyone who has benefited from his leadership and talents ... thank you, Matt, for your service to the community, and congratulations!

I was humbled to be offered this job knowing that I would have big shoes to fill, yet excited that I could continue his legacy and put a little of my own skills and perspective into it, but I still have much to learn.

I also knew that 2022 would be a blur with all that was already underway, and so pleased to have Angela Mansier accept the position of Events Director since she has already taken the Farmer's Market to a whole new level. Thank you, Angela.

And finally, I thank the MSM Board of Directors, committees and chairs, volunteers, businesses, and the community for your patience, support and encouragement ... we are truly all in this together!

George Sam

MAIN STREET MEDINA

Mission

To lead the effort for historic preservation, economic sustainability and continued evolution of the District as the heart of the community.

Vision

"Be Ohio's premier small-town destination."

Strategy

In March 2021, the Board of Directors, committee chairs and Main Street Medina staff convened to develop a multi-year strategic plan for Main Street Medina.

The strategy, approved by the Board in May 2021, has four areas of focus:

- 1. Diversify Sources of Funding**
Grow revenue from a variety of new and existing sources to enable greater re-investment and impact in our community.
- 2. Raise Awareness for Main Street Medina; Position the Historic District and South Town as a Destination**
Broaden community awareness of Main Street Medina's mission and impact locally while simultaneously attracting visitors from outside of Medina County to spend time in the District.
- 3. Connect & Engage Beyond our Boundaries; Be Inclusive of Diverse Audiences**
Foster key relationships and drive collaboration with non-traditional Main Street Medina constituents to ensure diversity of thought is embedded in all organizational activities.
- 4. Develop Advocacy Voice to Advance Business Vitality, Historic Preservation & Community Spirit**
Become recognized as a leading voice and contributor to positive change and historical preservation in and around the District.

Organized in December of 2007, Main Street Medina, Inc. (MSM) is a 501(c)(3) non-profit organization and nationally certified, Ohio Main Street Program. Our mission is to lead the effort for historic preservation, economic sustainability and continued evolution of Medina's Historic District as the heart of the community. Our vision is to be Ohio's premier small-town destination. The Main Street Approach uses fundamental components that include 1) Inputs-Community Engagement & Understanding the Market; 2) Transformation Strategies-Organization, Promotions, Design, Economic Vitality; and 3) Impact-Qualitative and Quantitative Outcomes.

Main Street Medina Footprint

As an accredited National Main Street Program, under Heritage Ohio, Main Street Medina concentrates its work and vision on the nine block Medina Square Historic District, and the three-block South Town District. Each month, we report investment statistics, new jobs created, public improvements, new development, and numerous other statistics that are ultimately used to determine the annual return on investment.

What is an Historic District?

From its early days as a New England-style town featuring a central greenspace to today's vibrant hub for business, entertainment, distinctive shops and fine dining, Medina's Historic District has long been a destination, which encompasses Public Square and surrounding eight-blocks, and was placed on the National Register of Historic Places in 1975.

What is South Town?

The roots of the South Town District dates back more than 150 years when the Industrial Age sparked construction of the railroad to serve emerging grain mills, lumber yards and a coal company. As the City expanded, the south end grew to accommodate public utilities, warehouses, and building supplies.

Today, the South Town community is reimagining its identity to be more pedestrian-friendly, with unique business opportunities and a new creative energy, while honoring its industrial roots. The vision is to enhance the shopper and visitor experience by making South Town more "walkable" and attracting arts and entertainment venues beyond what Public Square and the current Historic District offers.

Medina Square Farmers Market

Founded in 2005, and under the management of Main Street Medina since 2011, the Medina Square Farmers Market is one of the largest, seasonal farmers markets in Northeast Ohio. The Saturday morning Market offers a wide variety of consumable products that are fresh, locally grown or sourced, and made within 40 miles of Medina County. The Market has grown each year featuring 45-60 full- and part-time vendors offering products ranging from fresh meats and cheeses, fruits, herbs, and vegetables, a diverse selection of baked and cottage goods, home culinary needs, and health and wellness products.

Roughly 60% of our guests come from the Medina area and 40% are from other cities. The Market also serves an economically diverse audience, and it is the only market in Medina County that accepts Supplemental Nutrition Assistance Program (SNAP) and Produce Perks food assistance token programs, making fresh and healthy food available to our low-to-moderate income and senior communities. For information about the Farmer's Market, contact Angela at angela@mainstreetmedina.com

- ✓ In 2022, the Market facilitated over \$13,000 in token sales, exceeding \$10,000 in 2021.
- ✓ The Market also facilitated over \$12,000 in matching Produce Perks exceeding \$9,000 in 2021.
- ✓ The Market customer attendance increased 60% in 2022 to 84,257 from 52,374 in 2021*
- ✓ The Market produced and sold merchandise, provided musical entertainment, and offered special theme days to attract more visitors
- ✓ The Medina Square Farmers Market was generously supported in 2022 by title sponsor, Amy Hoes - eXp Realty, Cleveland Clinic Medina Hospital, Serpentini Chevrolet of Medina, and Bubbles & Bows

* Customer counts include MSM events held on Farmer's Market days.
